Owens-Illinois, Inc. will continue to make a good-faith effort to determine any possible involvement in this matter. In the meantime, it would facilitate our efforts if the EPA could provide us with documents or other information, as well as the names of other potentially responsible parties, which would enable us to determine the basis upon which you have identified Owens-Illinois as a potentially responsible party. In addition, please send us the EPA decision which explains the remedial action to be taken at the site by the EPA.

Very truly yours,
